

OCEANSIDE SENIOR ANGLERS

OSA Wounded Warrior Program

In 2007 our club started a program to recognize our military "Wounded Warriors" who suffered injuries serving our country.

To accomplish this we have received donations from many club members, the Escondido Rotary Club and with added funding in this effort by having a booth at the Fred Hall Fishing Show (Del Mar) and Harbor Days in Oceanside. In recent years we have been able to hold three fishing trips (3/4 day) annually, for 25 warriors on each trip.

Our Heroes came from the Camp Pendleton Wounded Warrior Battalion, the 32nd Street Naval Medical Detachment in San Diego, and Balboa Naval Hospital. We have continued this program since 2007 and plan on it's continuation this coming year and on into the future.

We have chartered boats (whose owners were very gracious) from the Oceanside Marina and Port Loma landing since 2007.

There are absolutely no costs for those who attend. They are furnished with everything that they need for the day, including food, fishing license, and equipment. Depending on donations, our goal this year is for at least three Wounded Warrior trips. This is so we can show in some small way our thanks to them and honor our country's **HEROS.**
